

# New Roots Fund

A New Roots loan can help refugees and asylees pay for business expenses, such as equipment, tools, inventory, and working capital. Existing businesses and new businesses are eligible. The New Roots program also offers business technical assistance. You do not need to be fluent in English to be a successful entrepreneur.

## Loans are:

- For as little as \$200
- Interest of 4% above prime **OR**
- Reba (interest) free— you can pay a monthly fee instead of interest

**Our borrowers include refugees and asylees living in the US less than two years who wish to start:**

- Adult family home businesses
- Taxi and transportation businesses
- Retail enterprises
- Beauty salon
- Restaurants
- And more!
